Experience

Senior Lecturer

Dudley College of Technology

August 2017 - Present

- Designed and delivered engaging curriculum materials using a variety of media and technology to enhance student learning experiences.
- Conducted formative research to understand student needs and preferences, adjusting teaching methods accordingly.
- Collaborated with colleagues to develop interactive digital learning resources and tools.
- Utilised data analysis and feedback from students to continuously improve the usability and effectiveness of educational materials.

English Lecturer

International School of Choueifat (EGY)

August 2016 - July 2017

- Developed and delivered instructional content on the fundamentals of English Language and Literature.
- Established a supportive and commanding presence in the learning environment, contributing to a positive educational philosophy.
- Ensured learner needs and values were prioritised by incorporating empathy, enthusiasm, and creativity into the instructional design and delivery process.

English Lecturer

Matthew Boulton College

August 2015 - July 2016

- Designed and developed engaging and interactive eLearning modules tailored for teenagers through to adults.
- Addressed and resolved learner challenges, supporting their progress across a range of abilities, including GCSE, Functional Skills, and ESOL.
- Managed additional instructional design duties, including stakeholder meetings, project showcases, supplementary support sessions, professional development days, and performance reporting.

Freelance and Volunteer

Instructional Designer / Learning Designer

Freelance

Apr 2023 - Present

- Conducted needs analysis and designed blended learning solutions.
- Collaborated with SMEs for accurate content and developed assessments.
- Managed projects, utilised LMS, and applied visual design principles.
- Stayed current with industry trends.

UX/UI Designer

Geta (Unify Giving)

June 2023 - Nov 2023
